NUMERICAL LISTING OF MAPS PRODUCED BY
GEOGRAPHICAL SECTION, GENERAL STAFF and DIRECTORATE OF MILITARY SURVEY

GSGS 4480 to 5015; 8000 to 8061

in continuation of 'Numerical Catalogue of Maps, 1944'

revised edition - June '42 spec. ready for use by GSGS and other Govt Depts

Note:- The inclusion of a map or series of maps in this listing does not imply that they were ever published bearing that number or are available to the public. The use of terms 'obsolete' and 'inactive' reflected limited current utility in the past.

This list is intended for use in national map collections and archives.
